Grammar Workbook

вправи до посібника. Ручка, кава, вперед.

Як працювати

Кожна тема тут — пара до сторінок посібника. Номер сторінки посібника стоїть поруч із назвою теми: застрягли — підгляньте правило.

Вправи йдуть від простого до складного: спершу розкриваємо дужки, потім виправляємо помилки, перекладаємо і пишемо своє.

Ключі — в кінці. Вправи з власними реченнями ключів не мають: їх перевіряє викладач.

P.S. Помилятися тут можна і треба. Для цього воркбук і придумали.
